

# How to update your email address and log in to aahbenefits.org

July 2021

Now that your email address has migrated from @aurora.org or @advocatehealth.com, please follow these simple steps to update your email address and username to access aahbenefits.org!

1. Go to **aahbenefits.org** and log in. When prompted, enter your previous e-mail address and then click Next. Enter your password and follow the steps to complete authentication.
2. Once logged in, select **Health > Update My Benefits**.
3. To update the email address used for login in, go to the arrow next to your name and select **My Account**.
4. Enter your new @aah.org email address or a personal email. This email address will be used as your username to access **aahbenefits.org** and will also be used for authentication purposes. Press **Save** when complete and follow any additional steps.

The screenshot shows the AdvocateAuroraHealth user interface. At the top left is the logo. On the right, there are notification and email icons, and a dropdown menu icon. The dropdown menu is open, showing options: My Information, My Dependents, My Health Beneficiaries, My Account (highlighted with a red box), and Logout. Below the menu is a 'Profile' section. Underneath is the 'My Account' section, which contains a text block explaining the email address update process. Below the text are two input fields labeled 'Email' and 'Confirm Email'. At the bottom right of the form is a 'SAVE →' button, also highlighted with a red box.
