

# How to update your email address and log in to aahbenefits.org

October 2020

Now that your email address has migrated from @aurora.org or @advocatehealth.com, please follow these simple steps to update your email address and username to access aahbenefits.org!

1. Go to [aahbenefits.org](https://aahbenefits.org) and select **Current Team Member**.
2. When prompted, enter your previous email address (@aurora.org or @advocatehealth.com), then click **Next**. Enter your password and follow the steps to complete authentication.
3. Once logged in, select the **Health & Protection** tile.
4. To update the email address used for logging in, go to the arrow next to your name and select **My Account**.

The screenshot shows the Advocate Aurora Health user interface. At the top left is the logo and name "AdvocateAuroraHealth". On the right, the user's name "JANE DOE" is displayed next to a dropdown arrow. The dropdown menu is open, showing options: "My Information", "My Dependents", "My Health Beneficiaries", "My Account" (highlighted with a red box), and "Logout". Below the menu, the "My Account" section is visible, containing a paragraph of text explaining the purpose of the email address change and a "Please Note" warning.

5. Enter your new @aah.org email address or a personal email. This email address will be used as your username to access [aahbenefits.org](https://aahbenefits.org) and will also be used for authentication purposes. Press **Save** when complete and follow any additional steps.

The screenshot shows the "My Account" section of the user profile. It contains a paragraph of text explaining the purpose of the email address change and a "Please Note" warning. Below the text are two input fields: "Email:" and "Confirm Email:". A red box highlights the "SAVE →" button at the bottom right of the form.
